

A Program to Help Employers Make a Difference, While Saving Money and Resources: Green Business Management Certificate

**This Eleven Week Course
Begins January 12, 2010
Call Today for Information!**

Why Provide Green Certificate Training to Your Employees?

- Green organizations reduce their operating costs, attract and retain talent, sustain high morale and build innovation.
- Consumers believe that organizations have as much responsibility for correcting ecological problems as individuals, households, and governments agencies.
- Staff are in a special position to implement ecologically friendly changes in the organization.
- Green organizations achieve a competitive advantage in an increasingly concerned and demanding marketplace.

What Outcomes Can Employers Expect?

This Eleven Week Course has been designed to provide workers with the understanding of how to put eco-friendly practices into place.

- Planning for the Organization's Green Transformation
- Water Conservation and Efficiency
- HVAC, Water Heating & Equipment Efficiency
- Lighting Effectiveness
- Energy Production from Renewable Sources
- Audit, Footprint Calculation and Reporting Principles
- Transportation Energy Reduction
- Paper, Materials and Waste Management
- Green Purchasing
- Green Marketing – 'Telling the Story'

*Offered in partnership with
The Apeiron Institute for
Sustainable Living.*

Enroll Employees Now! Only \$495 per Student

This **Green Business Management Certificate** curriculum is devoted to training employees in implementing ecologically friendly best practices.

About the Green Certificate Program's Creator

Glenn Bachman, CMC, AICP, is president of Raven Business Group, LLC, a management consulting firm in Massachusetts. He is the author of "The Green Business Guide."

This Program is part of Rhode Island College's growing suite of timely outreach programs intended to improve the performance of individuals, businesses and organizations. For more information on training employees at your work site or on our campus, call us. We would be happy to discuss how we can tailor our training to match your needs.

Visit www.ricoutreach.org for a complete list of Certificate and Non-Certificate Programs including:

- Medical Assistant,
- Insurance Technician,
- Bookkeeping & Accounting Clerks,
- ESL (English as a Second Language),
and many other programs providing life-changing career training.
